Connecticut Energy Education Workshop Agenda

8:30 a.m. Welcome and Introductions

Meet your fellow participants and the sponsors of today's workshop. Review goals and objectives for the workshop and begin planning ways to use the NEED materials and training in your school.

9:00 a.m. The Science of Energy

Learn more about the forms of energy while experimenting with the NEED Project's Science of Energy kit. Kits will be provided to participating educators.

10:30 a.m. Connecticut Electric and Energy Connections

After learning about the forms of energy, discover how the different energy sources contribute to the generation of electricity in Connecticut. Check out the Connecticut numbers for all energy used.

11:00 a.m. Introduction to Energy Efficiency and Conservation

How do you use energy in your daily life at school? Learn how energy is consumed and easy steps you and your students can take to reduce energy use at home and at school. Introduce Energy House Challenge.

11:30 a.m. Lunch

12:00 p.m. Energy Efficiency Hands-on

An introduction to the tools provided in the NEED Efficiency and Conservation kits to explore energy use at home and at school. Hands-on activities from the NEED's Efficiency and Conservation kit.

1:30 p.m. Energy Career Explorations

Take a look at our Energy Career Excursion sampler and ways to incorporate into the classroom. Play a round of Energy Career Round Up.

2:00 p.m. Pretzel Power

This activity will help students be able to describe the energy efficiency of different kinds of transportation and list the benefits of carpooling.

2:30 p.m. Q&A, Post Assessment and Evaluations

Evaluations and post assessment!

3:00 p.m. Adjourn
