

2023 Residential Natural Gas Boiler and Furnace Rebate Form

ENERGIZE CONNECTICUTSM

Existing Heating System Pre-Verification Required

Valid for all Yankee Gas Services Company dba Eversource Energy ("Eversource"), Connecticut Natural Gas ("CNG"), and Southern Connecticut Gas ("SCG") service customers ("Customer") who purchase and install a qualifying high-efficiency boiler or furnace ("System") on or after January 1, 2023 through December 31, 2023. **All 2023 Residential Boiler or Furnace System Rebate requests ("Application") along with required documentation must be postmarked no later than January 31, 2024.**

TO APPLY FOR YOUR REBATE, READ THE PROGRAM REQUIREMENTS ON THE REVERSE SIDE BEFORE PROCEEDING.

INSTRUCTIONS: Please fill out this Application completely, truthfully, and accurately and mail it together with the required items outlined in the **Supporting Documentation Checklist** below to:

Resource Innovations
1337 Massachusetts Avenue, P.O. Box 228
Arlington, MA 02476

Only customers replacing an existing non-condensing with a new condensing boiler or furnace are eligible to receive rebates. Customers must complete a Special Home Visit to confirm the inefficiency of the existing space heating system. To schedule a Special Home Visit, please visit energizect.com/residentialgasheating

Pre-verification inspection is required, please call the inspection vendor for your utility prior to replacing the existing equipment.

TERMS AND CONDITIONS

ELIGIBILITY: Rebates are available to all existing Yankee Gas Services Company doing business as Eversource Energy (“Eversource”), Connecticut Natural Gas (“CNG”), and Southern Connecticut Gas (“SCG”) residential natural gas service customers (“Customer”) who purchase and install an eligible high efficiency boiler or furnace (“System”) on or after January 1, 2023 through December 31, 2023. Qualified system must be installed in the service territory of the Participating Utility and by a licensed contractor. Eligible Systems are: **ENERGY STAR® Certified Natural Gas Condensing Boilers or Furnaces replacing an inefficient non-condensing heating system.**

APPLICATION OFFER: The 2023 Residential Heating and Cooling System Rebate program (“Program”) covers eligible Systems purchased and installed on or after January 1, 2023 through December 31, 2023. Details of this Program, including rebate levels, are subject to change or cancellation without prior notice. **2023 Residential Natural Gas Boiler or Furnace Rebate Form (“Application”) with required documentation must be postmarked by January 31, 2024. Funding for this Program is limited to the period indicated or while funds last.** For more information, please call **877-WISE-USE (877-947-3873).**

PROOF OF PURCHASE: A contractor’s invoice listing the date of purchase, make and model number(s), the AHRI certificate (a published manufacturer’s certificate indicating the installed assembly was tested under AHRI test conditions and includes the AFUE rating is acceptable in lieu of the AHRI certificate) and your recent gas utility bill.

APPLICATION: This Application must be filled out completely, truthfully and accurately. The Customer must sign the completed Application and it must be submitted along with the **PROOF OF PURCHASE** requirements listed above. Total incentive payment cannot exceed the total installation cost of the equipment.

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. **Please Call Resource Innovations at 1-888-855-0282 if you have any questions about your rebates.**

APPROVAL AND VERIFICATION: Eversource, CNG, and SCG reserve the right to inspect the equipment prior to issuance of the rebate and verify sales transactions and to have reasonable access to your residence to inspect the System installed under this Program prior to issuing rebates for up to one year after the date of the Application. Neither Eversource, CNG, and SCG make any warranties or representations of any kind, whether statutory, expressed, or implied for the performance or installation of the equipment as a result of the approval and verification process. These rebates may not be combined with any other utility or energy service offer including but not limited to midstream contractor point-of-sale promotions. The Customer also grants Eversource and UI the right to confidentially share account number information internally for rebate processing procedures.

TAX LIABILITY: Eversource, CNG, and SCG will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebates.

ENDORSEMENT: Eversource, CNG, and SCG or the contractor do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: Eversource, CNG, and SCG’s liability is limited to paying the rebates specified. Eversource, CNG, and SCG are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by Eversource, CNG, and

SCG and funding, in part, by their customers. Neither Eversource nor, CNG, and SCG guarantee the availability of funding for the program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority, Department of Energy and Environmental Protection or other State of Connecticut action. Funding is subject to change at any time without notice.

OWNER’S CERTIFICATION: Owner certifies that he/she has purchased the system listed on the other side of this Application and the System was installed by a licensed contractor at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and System requirements listed.

WARRANTIES: EVERSOURCE, CNG, AND SCG DO NOT WARRANT THE PERFORMANCE OF INSTALLED SYSTEM, EXPRESSLY OR IMPLICITLY. Eversource, CNG, AND SCG make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the System or services provided by a manufacturer, contractor or vendor. Contact your retailer, manufacturer, vendor or contractor for details regarding System performance and warranties. The Utilities do not warranty the performance of the energy efficiency measures, and do not guarantee that the listed measures will result in energy and/or cost savings.

FORWARD CAPACITY MARKET AND CLASS III CREDITS:

ISO-NE CAPACITY PAYMENTS: By signing this document, and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer’s participation in the program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market (“FCM”) or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of Yankee Gas Services Company, doing business as Eversource Energy (Eversource), Connecticut Natural Gas (“CNG”), or The Southern Connecticut Gas (“SCG”), as applicable. The customer hereby assigns to Eversource, CNG, and SCG, as applicable, all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by Eversource or UI, as applicable, to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this program shall be retained by the Companies pursuant to the laws of the State of Connecticut and/or applicable PURA decision in effect as of the date hereof.

Minimum Efficiency Levels/Rebate Schedules		
Eligible Systems	Minimum Efficiency for Rebate	Rebate
Natural Gas Boiler (Hot Water)	≥ 95% ENERGY STAR and AHRI certified	\$750
Natural Gas Furnace (Warm Air)	≥ 95% ENERGY STAR and AHRI certified	\$650

AHRI – Air Conditioning, Heating and Refrigeration Institute. All equipment must be rated in the AHRI directory and can be found online at AHRIdirectory.org

Only customers replacing an existing non-condensing with a new condensing boiler or furnace are eligible to receive rebates.

Customers must complete a Special Home Visit to confirm the inefficiency of the existing space heating system.
