TERMS AND CONDITIONS

ELIGIBILITY: Eversource and United Illuminating (UI) (“Companies”) customers with electric, natural gas, oil or propane heated homes may be eligible for a rebate/voucher towards the purchase of the following qualifying measure(s): ENERGY STAR® certified refrigerator or freezer. Eligible measure(s) must be purchased by **March 31, 2024** after a Home Energy Solutions–Income Eligible (HES-IE) assessment has been performed at the premises indicated on the rebate/voucher application form found on page 1 of this application (as applicable) and only after the Utility has deemed the qualifying measure(s) eligible for replacement. **All rebate requests must be postmarked no later than March 31, 2024.** Total incentive cannot exceed the total purchase price. Limit: One rebate per residential electric account in Utilities’ service area. Qualifying measure(s) must be installed within the Utilities’ service area. For more information, call **1-877-WISE-USE (1-877-947-3873)**. Only Eversource or UI customers are eligible for these rebates and only after an HES-IE assessment has been performed at the premises indicated on the rebate application. The rebate is only valid on purchases made after the assessment has been completed and the Utility has deemed applicable measures eligible for replacement. **THIS REBATE MAY NOT BE COMBINED WITH ANY OTHER UTILITY APPLIANCE REBATE.** This rebate may be subject to change without prior notice. Utilities’ energy efficiency providers reserve the right to conduct field inspections to verify measure installations.

PROOF OF PURCHASE: An invoice itemizing the purchased measure(s) must accompany each rebate/voucher application and for the sales receipt copy must indicate the manufacturer, make and model number(s) and the date of purchase. You must also include a copy of your most recent Eversource or UI (Utilities) bill as applicable.

APPLICATION: To receive your rebate/voucher application, rebate/voucher application(s), must be filled out completely, truthfully and accurately. The customer, retailer and Utility Representative (as applicable) must each sign the rebate/voucher application(s). The customer must submit the completed rebate/voucher application(s) along with the above proof of purchase requirements for each applicable appliance(s).

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the rebate/voucher application. Please contact the Resource Innovations, at **1-888-855-0282** to inquire about the status of your rebate/voucher application.

APPROVAL AND VERIFICATION: Utilities reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the measure installed under this program, prior to issuing rebates/vouchers, for up to one year after date of rebate/voucher application. These incentives may not be combined with any other utility or energy service offer including but not limited to midstream contractor point-of-sale promotions. The customer also grants UI the right to confidentially share account number information internally for rebate/voucher processing procedures only.

TAX LIABILITY: Utilities will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of the rebate/voucher incentive.

ENDORSEMENT: Utilities do not endorse any particular retailer, manufacturer, vendor, contractor, product or system design in promoting this Program.

LIMITATION OF LIABILITY: Utilities’ liability is limited to paying the incentive specified. Utilities are not liable for any damages arising out of or resulting from participation in this rebate/voucher offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity or similar losses of any kind, as well as any indirect, incidental, punitive, special or consequential damages, or for any damages in tort connected with or resulting from participation in this Program. Rebate/voucher application cannot be reproduced, photocopied, or altered in any way. Applicant understands that all funding for this program derives from the Energy Efficiency Fund which is managed, in part, by the Utilities and funded, in part, by their customers. Utilities do not guarantee the availability of funding for this program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority or other State of Connecticut action. Rebates are subject to funding availability and are subject to change at any time without notice.

WARRANTIES: UTILITIES DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. Utilities make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the measure(s) or service(s) provided by

a retailer, manufacturer, vendor or contractor. The Utilities do not warrant the performance of the energy efficiency measures listed on this Rebate Application, and do not guarantee that the listed measures will result in energy and/or cost savings. Contact your retailer, manufacturer, vendor or contractor for details regarding equipment performance and warranties.

OWNER’S CERTIFICATION: Owner certifies that he/she has purchased and installed the measure(s) listed on this rebate/voucher application at the defined location and, if applicable, the measure(s) has been installed by a licensed contractor. Owner agrees that all information is true and that he/she has conformed to all program and equipment, material and/or product requirements listed.

FORWARD CAPACITY MARKET AND CLASS III CREDITS: By signing this document and as a condition to receiving a rebate/voucher pursuant to the HES-IE program, Customer hereby assigns to its participating electric utility, either Eversource or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all “LICAP”, “ICAP”, transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to Customer’s participation in the HES-IE program. Customer hereby assigns to either Eversource or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either Eversource or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process. In accordance with the Department of Public Utility Control’s (“DPUC”, now known as the Public Utilities Regulatory Authority or “Authority”) September 29, 2008, decision in Docket No. 05-07-19RE01, [DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard \(Class III\) – 2007 Revisions](#), (as supplemented by the Department February 11, 2010, decision in Docket No. 05-07-19RE02), Customer is not eligible to receive or retain any Class III renewable energy credits in connection with the HES-IE program and customer hereby acknowledges and agrees to the same. Customer further acknowledges and agrees that such credits shall be retained by either Eversource or UI (as the case may be) for the benefit of their respective customers through Energize Connecticut. In the event that the Authority amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008, decision, then the allocation of such credits utilized by either Eversource or UI (as the case may be) shall be the allocation in effect (per the applicable Authority decision) on the date that the customer submitted its rebate/voucher application documents to either Eversource or UI (as the case may be). Customer further acknowledges and agrees that customer shall not retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to Customer’s participation in the HES-IE program and any and all such benefits or credits shall be retained by either Eversource or UI (as the case may be) for the benefit of their respective customers through Energize CT.
