Signature

By signing this form below, I certify that all of the information and documents I have provided with this 2023 ENERGY STAR Certified Variable-Speed Pool Pump Rebate Application are accurate and true and the replacement pool pump for which I am requesting a rebate meets the requirements of this application, is not a first-time purchase and is for use in the Connecticut residential address stated on this form. This rebate does not apply to pool pumps installed in new construction. I have read and understand the TERMS AND CONDITIONS on the final page of this application.

TERMS AND CONDITIONS

ELIGIBILITY: Rebates are available to all Eversource residential electric customers in Connecticut ("Customer") who purchase and install a qualified ENERGY STAR certified variable-speed pool pump ("Equipment") on or after January 1, 2023 through December 31, 2023. All rebate requests ("Application") must be postmarked no later than January 31, 2024. Equipment must be installed in Eversource's service territory and comply with all local building codes and relevant safety regulations.

Limit: One rebate per Connecticut residential Eversource electric account. Qualifying measure(s) must be installed in Connecticut within the Eversource service area. For more information, call **1-877-WISE USE (1-877-947-3873)**. Only Eversource customers are eligible for these rebates. THIS REBATE MAY NOT BE COMBINED WITH ANY OTHER UTILITY REBATE. This rebate may be subject to change without prior notice.

Eversource reserves the right to conduct field inspections to verify measure installations.

PROOF OF PURCHASE: An invoice itemizing the purchased equipment must accompany this application. Sales receipt/invoice must include the manufacturer, make and model number and date of purchase.

APPLICATION: To receive your rebate, the Application must be filled out completely, truthfully and accurately. The customer, and contractor (if applicable) must each sign the Application(s). The Customer must submit the completed application along with the above proof of purchase requirements and a copy of their recent electric bill.

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. Please contact Resource Innovations, at **1-888-855-0282** to inquire about the status of your Application.

APPROVAL AND VERIFICATION: The Companies reserve the right to verify the sales transaction and to have reasonable access to your residence to inspect the system installed under this program, prior to issuing rebates, for up to one year after date of Application. These incentives may not be combined with any other utility or energy service offer, including but not limited to midstream contractor point-of-sale promotions. The Customer also grants the Companies the right to confidentially share account number information internally for rebate processing procedures only.

TAX LIABILITY: The Companies will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of the rebate incentive.

ENDORSEMENT: The Companies do not endorse any particular retailer, manufacturer, vendor, contractor, product or system design in promoting this program.

LIMITATION OF LIABILITY: Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by Participating Utilities and funded, in part, by their customers. Neither Participating Utility guarantees the availability of funding for this program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority, Department of Energy and Environmental Protection or other State of Connecticut action.

WARRANTIES: EVERSOURCE DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. Eversource makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the System(s) or services provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding system performance and warranties. The Utilities do not warranty the performance of the energy efficiency measures listed on this rebate application, and do not guarantee that the listed measures will result in energy and/or cost savings.

CUSTOMER'S CERTIFICATION: Customer certifies that they have purchased and installed the equipment listed on this Application at the defined location and, if applicable, the equipment has been installed by a licensed contractor. Customer agrees that all information is true and that they have conformed to all Program and equipment, material and/or product requirements listed.

FORWARD CAPACITY MARKET AND CLASS III CREDITS: By signing this document and as a condition to receiving a rebate pursuant to this program, Customer hereby assigns to its Participating Utility, any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to Customer's participation in the program. Customer hereby assigns to Eversource all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by Eversource to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process. In accordance with the Department of Public Utility Control's ("DPUC", now known as the Public Utilities Regulatory Authority or "Authority") September 29, 2008, decision in Docket No. 05-07-19E01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, (as supplemented by the Department February 11, 2010, decision in Docket No. 05-07-19E02), Customer is not eligible to receive or retain any Class III renewable energy credits in connection with this program and customer hereby acknowledges and agrees to the same. Customer further acknowledges and agrees that such credits shall be retained by Eversource for the benefit of their respective customers through Energize Connecticut. In the event that the Authority amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008, decision, then the allocation of such credits utilized by Eversource shall be the allocation in effect (per the applicable Authority decision) on the date that the customer submitted its Rebate Application documents to Eversource. Customer further acknowledges and agrees that customer shall not retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to Customer's participation in the program and any and all such benefits or credits shall be retained by Eversource for the benefit of their respective customers through Energize CT.
