TERMS AND CONDITIONS

ELIGIBILITY: Rebates are available to all Eversource or United Illuminating (UI) (“Utilities”) residential electric service customers (“Customer”) who purchase and install an ENERGY STAR® Certified Wi-Fi Thermostat (“Equipment”) on or after January 1, 2023, through December 31, 2023. All rebate requests (“Application”) must be postmarked no later than January 31, 2024. Equipment must be installed in the Utilities’ service territory and comply with all local building codes and relevant safety regulations.

APPLICATION OFFER: The 2023 Residential ENERGY STAR Certified Wi-Fi Thermostat Rebate Program (“Program”) covers products purchased and installed on or after January 1, 2023, through December 31, 2023. Details of this Program, including rebate levels, are subject to change or cancellation without prior notice. **Under no circumstances will the total incentive for a single Wi-Fi thermostat exceed the offered rebate amount of \$85. If the Wi-Fi thermostat already received an \$85 instant discount at a participating retailer, through the Eversource or UI online store, or at a distributor location through a licensed installation contractor, this rebate is not eligible for redemption. Limit of four thermostats per customer installation address. For questions on applied rebates, please speak with your installation contractor. This Application with required documentation must be postmarked by January 31, 2024. Funding for this Program is limited to the period indicated or while funds last.** For more information, please call **1-877-WISE-USE (877-947-3873)**.

PROOF OF PURCHASE: A copy of your dated sales receipt that shows the Equipment manufacturer and model number must accompany each Application.

APPLICATION: This Application must be filled out completely, truthfully and accurately. The Customer and contractor (if applicable) must each sign the completed Application and submit it with the **PROOF OF PURCHASE** requirements listed above. Total incentive payment cannot exceed the purchase price of the equipment.

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing from the Application. Please contact Resource Innovations at 1-888-855-0282 to inquire about the status of your Application.

APPROVAL AND VERIFICATION: The Utilities reserve the right to verify sales transactions and have the right to access your residence to inspect the Equipment installed under this Program prior to, or after issuing incentives, for up to one year after date of Application.

TAX LIABILITY: The Utilities will not be responsible for any tax liability that may be imposed on the Customer as a result of rebate payments.

ENDORSEMENT: The Utilities do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: The Utilities’ liability is limited to paying the rebate incentive specified. The Utilities are not liable for any damages arising out of, or resulting from, participation in this rebate offer including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

Applicant understands that all funding for rebates under this program derives from the Energy Efficiency Fund which is managed, in part, by the Utilities, and funding, in part, by their customers. Neither of the Utilities guarantees the availability of funding for the program and neither is responsible for any costs or damages incurred by applicant if funding for this program or the Energy Efficiency Fund is reduced or eliminated by the State of Connecticut, the Public Utilities Regulatory Authority, Department of Energy and Environmental Protection or other State of Connecticut action.

OWNER’S CERTIFICATION: Owner certifies that he/she has purchased and installed the Equipment listed on the other side of this Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and Equipment requirements listed.

WARRANTIES: THE UTILITIES DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The Utilities make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the Equipment or services provided by a manufacturer, contractor or vendor. The Utilities do not warrant the performance of the energy efficiency measures listed on this Rebate Application, and do not guarantee that the listed measures will result in energy and/or cost savings. Contact your contractor for details regarding Equipment performance and warranties.

FORWARD CAPACITY MARKET AND CLASS III CREDITS: ISO-NE CAPACITY PAYMENTS: By signing this document, and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer’s participation in the program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market (“FCM”) or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and from capacity payments, credits and/or benefits of the Utilities as applicable. The customer hereby assigns to the Utilities, as applicable, all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by the Utilities, as applicable, to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this program shall be retained by the Utilities pursuant to the laws of the State of Connecticut and/or applicable PURA decision in effect as of the date hereof.
