

**Massachusetts and Connecticut
Energy Efficiency Dashboards
Request for Proposal**

This Request for Proposals (“RFP”) is being released on behalf of the Connecticut and Massachusetts electric and natural gas utilities and Cape Light Compact who administer statewide energy efficiency programs, collectively (the “Program Administrators”). The Program Administrators are seeking outsourced system development and continued support for the creation and design of new and separate state energy efficiency dashboards for Connecticut and Massachusetts. In addition, there are various state specific functions, data, and reports.

The objective of this RFP is to contract with a qualified supplier(s) who will provide off the shelf, custom, or a hybrid custom/off-the-shelf data platform capable of collecting information from several data templates (e.g., individual Program Administrators, different file types, and formats, etc.) and making this data available online to stakeholder groups through collective (by state) dashboards based on stakeholder data needs.

The MA Sponsors include Avangrid Service Company (BGC), Cape Light Compact, Eversource Energy, Liberty, National Grid, and Unitil. The CT PAs include Eversource Energy and Avangrid Service Company (UI, SCG, and CNG).

Eversource will be conducting this RFP on behalf of the Program Administrators through an ARIBA e-sourcing platform. If you would like to participate, please email eeprocurement@eversource.com by **March 22, 2023** to be sent an invitation.

In ARIBA, you will find all the information necessary to navigate through the tool and respond to the RFP. The RFP timeline and assessment process are stated below:

RFP issued to Vendors:	February 24, 2023
Final Proposal Submission:	April 10, 2023

Please note that all questions relating to this RFP must be submitted through the ARIBA Sourcing tool using the Messages function to ensure accurate information is provided to all project team members and suppliers, as well as to ensure process consistency. Eversource will ONLY provide information related to this RFP via the Message function. No other communication vehicles will be allowed.
