- Air sealing and duct sealing to reduce drafts and energy loss
- Installation of efficient aerators, showerheads and hot water pipe insulation

Additional upgrade opportunities. Depending on your home's existing conditions and the efficiency measures recommended during the initial home visit, you may also qualify for additional discounted upgrades such as:

- Insulation
- Water heaters
- Heating equipment
- Windows
- Refrigerator and/or freezer rebates or vouchers

2022–2023 Application Instructions

Step 1: Property Information:

Please complete Section 1: Property Information (1–4 Units) to describe the Property where you want to receive the Home Energy Solutions - Income Eligible services.

Step 2: Applicant and Energy Information:

You are the Applicant. Please complete Section 2: Applicant and Energy Information to provide your contact, heating and electric information.

Step 3: Authorization:

- a. As the Applicant, you must sign the Authorization.
- b. If you, the Applicant, do not own the Property described in Step 1 above, please have the Property Owner (landlord) also sign the Authorization. This is required if you do not own the Property.

Step 4: Applicant Qualification Information:

After completing Steps 1–3, please complete Section 4: Applicant Qualification Information and provide the information that supports your qualification. There are many ways to qualify for Home Energy Solutions - Income Eligible services. You only need to satisfy the requirements of one of the four options on the following page.
